

3	Attendance at 'Galaxy evolution and Environment conference, Kuala Lumpur, Malaysia	Mr Asa BLUCK FRAS ppxab3@nottingham.ac.uk			£600
4	RAS Summer Bursary 'Assessing shear estimates with neural networks'	Dr S. BRIDLE FRAS On behalf of Miss L. Watson UCL Dept of Physics & Astronomy Gower Street, London WC1E 6BT sarah@star.ucl.ac.uk			£1,440
5	IAU Symposium 260 - oral presentation	Mr Charles BARCLAY FRAS ceb@marlboroughcollege.org			£347
6	Support to attend the Society for Astronomical Sciences, Symposium, May-09	Dr David R.S. BOYD FRAS drsboyd@dsl.pipex.com			£700
7	Identifying Cool Substellar Benchmark Systems	Dr Ben BURNINGHAM FRAS Centre for Astrophysics Research Science and Technology Research Institute, University of Hertfordshire, College Lane, Hatfield AL10 9AB b.burningham@herts.ac.uk			£1,440
10	Co-sponsorship for UK participation at the international conference "Hunting for the Dark"	Dr Victor P. DEBATTISTA FRAS University of Central Lancashire Centre for Astrophysics Preston PR1 2HE vpdebattista@uclan.ac.uk Signatory same as above			£1,000

11	Support for attendance at the 'Origins of Solar Systems' Gordon Research Conference	Prof. Tim NAYLOR FRAS On behalf of Robert De Rosa Astrophysics, School of Physics Stocker Road, University of Exeter EX4 4QL derosa@astro.ex.ac.uk			£415
13	Undergraduate Bursary Application - Calibrator preparation for eMERLIN	Dr Stewart EYRES FRAS Jeremiah Horrocks Institute University of Central Lancashire Preston PR1 2HE spseyres@uclan.ac.uk On behalf of Matthew Grindley			£1,630
14	Undergraduate Research Bursary "Source extraction methods for Extragalactic Surveys"	Dr Kathy ROMER FRAS On behalf of Dr Duncan Farrah Dept of Physics and Astronomy University of Sussex, Brighton East Sussex BN1 9QH d.farrah@sussex.ac.uk			£1,800
15	Support for the participation of Miss Jennifer Weston in the UK meeting "Frontiers of Seismology" 2-3 April 2009.	Dr Anna FERREIRA FRAS On behalf of Miss J. Weston School of Environmental Sciences University of East Anglia, Norwich NR4 7TJ a.ferreira@uea.ac.uk			£160
16	Cosmic Origins	Prof. Carlos FRENK FRAS Institute for Computational Cosmology Dept of Physics South Road, Durham DH1 3LE c.s.frenk@durham.ac.uk			£1,000
17	JENAM+RAS/NAM meeting in Hatfield	Dr Ignacio FERRERAS FRAS On behalf of PhD Student Ben Rogers King's College London ferreras@star.ucl.ac.uk			£235
18	The Chemical Evolution of Massive Young Stellar Objects	Dr Melvin HOARE FRAS School of Physics and Astronomy University of Leeds Leeds LS2 9JT m.g.hoare@leeds.ac.uk Signatory same as above			£1,400
		Dr Rainer HOLLERBACH FRAS			
20	Summer-student bursary: The Binary Incidence Among Massive Stars	Prof. Ian HOWARTH FRAS Dept. of Physics & Astronomy UCL, Gower Street, London WC1E 6BT idh@star.ucl.ac.uk			£1,520

22	Grant in order to attend and present at the "Magnetospheres of the Outer Planets" conference DEADLINE DATE: May 2009	Miss Sheila KANANI FRAS Mullard Space Science Laboratory Holmbury St. Mary, Dorking, Surrey RH5 6NT sk2@mssl.ucl.ac.uk			£450
24	Undergraduate research bursary, Jack Roberts at Sussex	Dr Martin KUNZ FRAS Astronomy Centre University of Sussex Brighton BN1 9QH m.kunz@sussex.ac.uk			£1,400
25	Travel & subsistence for UK tour of NSO Teacher Workshop	Dr Chris LEIGH FRAS Astrophysics Research Institute Twelve Quays House Egerton Wharf, Birkenhead, CH41 1LD chris@schoolsobservatory.org.uk Signatory same as above	£2,450	N	£0 50% of estimated costs
26	Travelling support for attending the Conference SFR@50' to be held in Sartiano, Italy from 6-10 July 2009	Ms Smriti MAHAJAN FRAS School of Physics and Astronomy University of Birmingham Edgbaston, Birmingham B15 2TT sm@star.sr.bham.ac.uk			£650
27	Applying Bayesian doubt to dark energy models	Miss Marisa C. MARCH FRAS Astrophysics Group Imperial College London, Blackett Laboratory, Prince Consort Rd, London SW7 2AZ marisa.march06@imperial.ac.uk			£1,000
28	Support to attend the IAU Symposium 260 "The Role of Astronomy in Society and Culture" Date: 19-23 January 2009	Mr Valerio RIBEIRO FRAS Astrophysics Research Institute LJMU, Twelve Quays House, Egerton Wharf, Birkenhead CH41 1LD var@astro.livjm.ac.uk			£400
29	Advanced Radio Astronomy Educations	Dr Anita M.S. RICHARDS FRAS JBCA Alan Turing Building Univesity of Manchester M13 9PL amsr@jb.man.ac.uk			£2,500
30	3D Determination of Chemical Abundances in Nearby Galaxies	Mr Fernando F. ROSALES-ORTEGA FRAS Institute of Astronomy Madingley Road, Cambridge CB3 0ET frosales@ast.cam.ac.uk			£600

35	Extracting body waves and Earth structure from seismic noise recorded in Central Europe	Prof. Graham STUART FRAS School of Earth and Environment Institute of Geophysics and Tectonics University of Leeds, Leeds LS2 9JT On behalf of Mr Jan Buczynsky, ICT, University of Leeds g.stuart@leeds.ac.uk			£1,440
36	A second look at the SCUBA image of the Tau Ceti field	Dr Mark THOMPSON FRAS Centre for Astrophysics Research University of Hertfordshire College Lane, Herts AL10 9AB j.a.stevens@herts.ac.uk			£1,440
37	The Evershed Exhibition	Dr Sandra VOSS FRAS The Observatory Science Centre Herstmonceux, Hailsham East Sussex BN27 1RN s.voss@the-observatory.org			£2,000
39	Travel assistance for conference attendance at IAGA 11th Scientific Assembly in Sopron, Hungary	Dr Clare E.J. WATT FRAS cwatt@phys.ualberta.ca			£934
40	"Taking the Magic Planet on the road"	Dr James WILD FRAS Space Plasma Environment and Radio Science Group, Dept. of Communication Systems Lancaster University, Lancaster LA1 4WA j.wild@lancaster.ac.uk			£863
41	Student attendance of the Mash Conference February 2009	Prof. Albert ZIJLSTRA FRAS Jodrell Bank Centre for Astrophysics Alan Turing Building, School of Physics and Astronomy, University of Manchester M13 9PL a.zijlstra@manchester.ac.uk			£820
42	Exploring Ionospheric Composition in Venus' Upper Atmosphere	Dr Pinter BALÁZS FRAS on behalf of Mr Alexander Elliott Aberystwyth University, IMAPS, Physics Building, Penglais Campus, Aberystwyth SY23 3BZ b.pinter@aber.ac.uk			£900
43	Solar wind transient event effects at Venus	Dr Pinter BALÁZS FRAS The project will be run by Mr Whittaker Aberystwyth University, IMAPS, Physics Building, Penglais Campus, Aberystwyth SY23 3BZ b.pinter@aber.ac.uk ; kw06@aber.ac.uk			£900
