

Group Award Winners

The Group Award recognizes outstanding achievement by large consortia.

Year	Astronomy	Geophysics
2025	European Pulsar Timing Array	Met Office Space Weather Research Team
2024	MID-INFRARED INSTRUMENT (MIRI)	
2023	The MeerKAT Team	
2022	The EAGLE simulations team	UK Fireball Alliance
2021	The Event Horizon Telescope (EHT) team	
2020	The Astropy Project Team	The STEREO Heliospheric Imager Team
2019	The Galaxy Zoo Team	The Cluster Science and Operations Teams
2018	Planck Team	The Centre for Observation and Modelling of Earthquakes, Volcanoes and Tectonics (COMET)
2017	Laser Interferometer Gravitational-Wave Observatory (LIGO)	Super Dual Auroral Radar Network (SuperDARN)
2016		European Incoherent Scatter (EISCAT) radar system
2015	e-MERLIN Team	Hinode Extreme Ultraviolet Imaging Spectrometer (EIS) Team

2014	Herschel-SPIRE Consortium	Magnetometer Team on the Cassini spacecraft
2013	SAURON Team	UK MHD Consortium
2012	UKIDSS	
2010	SuperWASP	CHIANTI Consortium
2009	SCUBA Team	
2008	2dF Galaxy Redshift Survey
