

Time	Mins	Speaker	Subject
10:00-10:30	30		Coffee
10:30 - 10:50	20	Sadhbh Leahy DIAS Dunsink Observatory	Welcome and Intro Public Engagement in Dunsink Observatory from 1785 - Present
10:50 - 11:20	30	Louise Devoy (Invited) Royal Museums Greenwich	Making historic observatories accessible to all
11:20 - 11:35	15	Pam Rowden Royal Astronomical Society	Irish observatories as reflected in MNRAS
11:35 - 11:45	10	Break	
11:45 - 12:00	15	Peter Gallagher DIAS Dunsink Observatory	Birr Castle Astronomy - public engagement
12:00 - 12:15	15	Patricia F. Spinelli Museum of Astronomy and Related Sciences	Preserving the Past, Inspiring the Present: The Role of Historically Valuable Telescopes in Science Communication (REMOTE)
12:15 - 12:30	15	Abi Ashton Royal Observatory Edinburgh	Opening the doors of a working, historical observatory (REMOTE)
12:30 - 12:45	15	Anne-Marie Weijmans University of St Andrews	From empty dome to art installation space: engaging with astronomy and art at the Observatory of St Andrews
		Lightning talks	
		Erin Manson Queen's University Belfast	75 Years of the Armagh-Dunsink-Harvard Telescope: The Geopolitically Networked Heritage of Armagh and Dunsink Observatories Astronomy at Boyden Observatory, South Africa from 1950-1978
		Rok Nežič Armagh Observatory & Planetarium	The Universe is Alive Here: The trials and triumphs of tours at Armagh Observatory
12:45 - 13:00	15	Bill Barton Orwell Astronomical Society	150 Years of Astronomy at Orwell Park
13:00 - 14:00	60	Lunch	
14:00 - 14:30	30	Matthew McMahon (Invited) Armagh Observatory & Planetarium	Surveying the Astronomical Observatories of Ireland Telescopes: An Instrument Network
14:30 - 14:45	15	Ilaria Arosio INAF - Osservatorio Astronomico di Brera	MARSS: MusAB in Augmented Reality from Science to Society
14:45 - 15:00	15	Niall Smith Blackrock Castle Observatory	Thoughts on how observatories can have broad impact in society – a case study of Blackrock Castle Observatory
15:00 - 15:45	15	Martin Ward Durham University	Durham University Observatory: Past, Present and Future
15:15 - 15:30	15	Michael Burton Armagh Observatory & Planetarium	Astronomical Observatories of Ireland and UNESCO
15:30	5	Peter Gallagher DIAS Dunsink Observatory	Closing Remarks - Peter Gallagher
15:35	30	Tea
