

Dear <<First name>>,

Membership no. <<ID>>

I hope my email finds you well.

We attempted to collect your 2026 renewal by direct debit on 31 January 2026, but were unsuccessful.

As such, I have removed your direct debit details from our system accordingly. Your payment method is now by debit/credit card, and you can renew your membership online via the designated [Fellows' of the RAS website](#). Once logged in, go to **'My Details'-> 'My Memberships'->** and click the **'Membership(s)'** payment button to pay your outstanding renewal fee to retain your membership.

Once payment is made, your membership will automatically renew.

Thank you for your continued support.

With warmest regards,

Patricia Burrell (she/her)

Membership Officer
