

Ian Robson Lifetime Achievement Award

This award is to honour individuals for their career-long, significant contributions supporting UK astronomy in the broadest sense, but whose achievement does not fall within the criteria of the Society's other awards. Contributions include research, teaching - including supervision of research students and course development, astronomy administration -including membership of committees, and outreach activities.

Year	Name
2026	Raman Prinja

Service Award in Astronomy

The Service Award is to honour individuals who, through outstanding or exceptional work, have promoted, facilitated or encouraged the sciences of astronomy or geophysics and developed their role nationally or internationally.
