

Dear <<First name>>,

Membership no. <<ID>>

I hope my email finds you well.

Your 2027 membership renewal remains outstanding and was due to be renewed on 1 January 2027.

To renew the membership, please log in to the designated Fellows of the RAS's website (<https://fellows.ras.ac.uk/>) and go to **My Details** -> **My Memberships** and click on the **Renew My Membership(s)** button to pay.

If you have not logged into the designated Fellows of the RAS website for more than a year, you will need to [reset your password](#). Once you have done this, please log in to the Fellows' website (<https://fellows.ras.ac.uk/user/login>) to view your account and follow the steps above to pay.

If an incorrect amount is listed for you when you try to renew, fill out the <<insert renewal form link>> and email it to membership@ras.ac.uk.

Please note that we no longer accept payments by cheque.

Students will need to complete and return by email, the declaration (within the renewal form) to be eligible for the discounted rate. If you are unable to get the declaration signed by someone from your university, please provide proof of your student status, i.e., a headed letter from your university or an acceptance letter. The document needs to be recent, within the last 3 months and state the name of the course you are studying and whether it is at least 25% of full-time study.

If you experience difficulties paying online, or your circumstances have changed, or you would like to resign your membership, please contact membership@ras.ac.uk.

Thank you for your continued support.

With warmest regards,

Patricia Burrell (she/her)
Membership Officer
