

RAS GRANTS (part 2)
2007

| Date Submitted | Title/Purpose | Applicant and Org. | Amount Awarded |
|-----------------------|---|--|-----------------------|
| 01.05.2007 | The Moon and Mars: The relevance of S-cubed science to future space exploration. | Miss Gemma ATTRILL FRAS MSSL UCL | £200 |
| 05.07.2007 | Support for travel to “Bridging the Gap II” Conference in Montreal, Canada | Miss Emily BALDWIN FRAS Dept of Earth Sciences University College London | £430 |
| 18.05.2007 | Student Lunar Experiment Study and Public Outreach | Mr Steven BARTLETT FRAS The Open University | £935 |
| 20.07.2007 | Internet All-sky camera project | *Dr James BIGGS FRAS Government Astronomy for WA and Director of Perth Observatory Western Australia . | - |
| 02.07.2007 | Funding for attendance of conference “XXI Century Challenge for Stellar Evolution” August 29 – September 2, 2007, Cefalu’ (Scilily, Italy) | Prof., Chris A. COLLINS FRAS Astrophysics Research Institute Liverpool John Moores University | £537 |

| | | | |
|------------|--|---|---------------|
| 02.05.2007 | Attending the Manchester Computing Parallel Programming Summer School 13-17 August 2007 | Mr Patrick DAUM M.Sc., FRAS Lancaster University | £200 |
| 10.07.2007 | Cool Stars 15 meeting – costs of accommodation for students | Dr Martin DOMINIK FRAS University of St Andrews | £5,000 |
| 18.07.2007 | Astronomy Research Winter School | Dr Stewart EYRES FRAS Centre for Astrophysics University of Central Lancashire | £5,000 |
| 19.06.2007 | Funding to support attendance of conference “Massive Star Formation: Observations confront theory” 10-14 September 2007, Heidelberg, Germany | Dr Jane GREAVES FRAS On behalf of Ms Katharine Johnston School of Physics & Astronomy University of St. Andrews | £424 |
| 20.06.2007 | Funding for trip to Heidelberg (for Conference and Summer School) | Dr Jane GREAVES FRAS On behalf of Miss Rowan J. Smith School of Physics & Astronomy University of St. Andrews | £540 |
| 24.07.2007 | Sponsorship of the 11 th Electromagnetic and Light Scattering Conference – University of Hertfordshire – September 2008 | Prof. James HOUGH FRAS Centre for Astrophysics Research Science & Technology Research Institute University of Hertfordshire | £3,500 |

| | | | |
|------------|---|--|---------------|
| 17.07.2007 | Magnetic instabilities and dynamos in early-type stars | Dr Eun-jin KIM FRAS Dept of Applied Maths University of Sheffield | £1,200 |
| 23.07.2007 | Studies of the formation and evolution of stellar clusters in various astronomical environments | Mr Iraklis KONSTANTOPOULOS FRAS Department of Physics & Astronomy University College London | - |
| 31.07.2007 | Tagish Lake meteorite curation and fundamental characterization | Dr Philip McCAUSLAND FRAS Department of Earth Sciences University of Western Ontario CANADA | - |
| 09.07.2007 | Visit to the UK by PhD student Eleonora Troja | Dr Paul O'BRIEN FRAS Dept of Physics & Astronomy University of Leicester | £700 |
| 19.07.2007 | Starlight Newsletter | Dr Paul ROCHE FRAS Faulkes Telescope Project School of Physics & Astronomy Cardiff University On behalf of Mr Keith Cooper Astronomy Now | £2,500 |
| 18.07.2007 | Participation in "Physics of Climate Change" programme at KITP, Santa Barbara | Dr Paul WILLIAMS FRAS Flat 4 | £1,700 |
